Generative AI call for evidence: summary of responses

PDF , 439 KB , 44 pages

Detail of outcome

Summary of responses we received, along with the government's response outlining the next steps.

Summary

We're seeking views on how generative artificial intelligence (AI) is being used across education in England, and the opportunities and risks it presents.

This call for evidence was held on another website .

This call for evidence ran from

9:30am on 14 June 2023 to 5pm on 23 August 2023

Call for evidence description

We would like to hear your views and experiences of the use of generative AI tools in educational settings in England. This includes tools such as:

[ChatGPT](#)

[Google Bard](#)

[Claude](#)

[Midjourney](#)

We're also seeking to understand perspectives on the potential benefits and risks of this technology around its use in education.
